

THE *grace* SPACE

As Lincoln's premier hospice house, we're a full end-of-life care facility designed to meet each individual's physical and spiritual needs through grace.

ABOUT

A thoughtful, beautiful space for comfortable end-of-life care.

Nestled in a Northwest Lincoln neighborhood, The Grace Space is home for thirteen full-time assisted living residents.

We offer medical, spiritual, emotional, and physical care in a respectful, self-sustaining community with the support of the hospice agency of your choice.

Our community allows for families to be as involved in each person's care as they wish and to be onsite 24/7 providing love and comfort throughout the journey.

Gracious care is more than meeting physical needs. We believe and lean into holistic spiritual care to the same degree.

Our team will provide each resident with an individualized plan of care driven by each resident, as well as access to spiritual services to help individuals work through end-of-life concerns, fears, questions, and unfinished business.
